

Event: IMC Chamber of Commerce and Industry organized a panel discussion on Achieving 10% GDP Growth by 2020 on November 18<sup>th</sup>, 2016. At the panel discussion, it was generally felt that the country has the potential to achieve double digit growth but the current demonetization move might drag down the growth rates as all sections of the society, especially the farmers who are the main drivers of the economic growth, are facing a lot of hardships.

The panelists included eminent political leaders like **Shri. Pavan Varma** – Former Ambassador & MP (RS), **Shri Dinesh Trivedi** – Member of Parliament, TMC, **Shri Siddharth Nath Singh** – Spokesperson, BJP & **Shri Milind Deora** – Former Union Minister of State & MP, INC and moderated by **Shri Sanjay Pugalia**, President & Editorial Director of Bloomberg Quint.

Speaking at the session **Mr. Deepak Premnarayan**, President IMC Chamber of Commerce and Industry, stressed the need to have such discussion at regular intervals, as the government over the past two years, has initiated reforms across sectors and it was the duty of the Chamber to have a critical review of these.
