

**Event:** The Infrastructure and Smart Cities Committee of the Indian Merchants' Chamber has organized a series of conferences under the banner of Infrastructure Conference Series (ICS). The first such conference was organized on Indian Railways – *A Trillion Dollar Opportunity*, to focus on accelerating investments in Indian Railways as it is an important engine of growth for the Indian economy.

The inaugural session was addressed by the Railway Minister Shri Suresh Prabhu and brought together policy makers, regulators, international experts, investors, developers, contractors and academicians to discuss policies, strategies, and action plans for accelerating infrastructure development.

**Date:** 3<sup>rd</sup> September 2016

Seen below, Shri. Deepak Premnarayen, President, IMC, presenting memento to Shri Suresh Prabhu, Hon'ble Minister for Railways at the event.
